At a session of the Executive Board of the Military Carnival, it was decided to postpone the opening of the carnival till Tuesday, the 10th of March. It is urgently requested that the various committees meet

their several appointments the same as if there had been no change of date.

During the revival services at the Ames M. E. Church there have been twenty-two conversions, and the interest is steadily on the increase.

Charles Delorme was tried yesterday in the Criminal Court for the theft of a coat from the Model. The jury found him guilty and sentenced him to the State Prison for two years.

In accordance with the opinion of his attorney Sheriff Carter, yesterday, refused to receive a prisoner from Squire Pease's Court. A man named proceeding to be instituted this morning by the latter to test the question of the right of the Sheriff to refuse to receive prisoners from his court.

THE SCHOOL BOARD.

Reports Received from the Various Officers and Committees—New Teachers appointed.

The regular meeting of the School Board last night was presided over by Mr. Bell. All the members were present, and a considerable amount of business was disposed of. The Treasurer submitted a report making the following showing: Special fund balance on hand February 1, \$95,743.85; Library fund, \$70,768.75; Tuition fund, \$55,224.26; balance overdrawn, \$15,343.20.

The Secretary reported that warrants amounting to \$20,430.19 had been drawn on the Treasurer during the month of January. The Finance and Auditing Committee submitted a report recommending the payment of bills amounting to \$2,173.04. The same committee announced that bills aggregating \$15,411.78 had been paid since the last meeting of the board.

Mr. Smith, of the Committee on Text Books, recommended that the board adopt Le Conte's geology for permanent use in the High School. The motion was finally adopted.

The Committee on Appointment of Teachers and Salaries reported the resignation of Miss Lydia C. Tonley, of No. 22, and the appointment of teachers as follows: Misses Fannie Reed, No. 5 A grade, School No. 1; Helen Lang, 5 B grade, No. 7; Bertha Gill, 2 B grade, No. 10; Ida Aldrich, 5 B grade, No. 2; Elsie Grout, 2 A grade, No. 12; Eva Johnson, 4 A grade, No. 13; Mary A. The Librarian submitted his report for the month of January, in which he stated that the circulation shows a very marked increase both in home and reading-room use. The total for home use was 14,033, which, the report says, is 2,400 larger than last month. The circulation of periodicals in the reading-room is 1,970 more than last month and 2,603 larger than the same month last year. The report concludes with the statement that the first month's work of the library was a marked success.

A large number of bids were received on the enumeration of school children and referred to the Committee on Finance with instructions to award the contract to the lowest and best bidder.

The board then adjourned.

CHICAGO VS. MERIDIAN.

Three Straight Goals Won in Last Night's Game by the Visitors.

The Chicago Polo team defeated the Meridian Club last night in twenty-five minutes, scoring three goals to Meridian's none. The visitors seemed especially happy and played with a vim that, in the language of the street gamins, "paralyzed the Hoosiers," who went to pieces at the very beginning. The Chicago's game consisted of many brilliant plays, for which they were loudly applauded; while, on the contrary, the home team, with a possible exception or two, played badly.

It is thought by some that our boys do a little too much individual playing. If so they should receive a lecture from their worthy captain, or what might be better still, ape the Chicago's just a little in this particular feature. Both teams will meet again to night, which will be the last appearance of the Chicago Club here this season.

PERSONAL MENTION.

Charles A. Robinson, City Treasurer of Terre Haute, is at the Bates.

Hon. Charles B. Kimball and family, of Chicago, are stopping at the Bates.

M. F. Wilcox, Superintendent of Schools of Johnson County, called at this office yesterday.

John B. Chores, attorney of the State-house contractors, arrived in the city from Chicago this morning and is registered at the Bates.

At the Bates: D. B. Martin, New Harmony; D. W. Henry, C. A. Robinson, Elwin Ellis, W. P. Jams, Terre Haute; A. W. Clancy, John M. Bloss, Muncie; L. Short, Franklin, M. D. Younker, Columbus City; W. J. Cunningham, Lafayette; J. Hedgecock, Frankfort; J. C. Boone, New Castle; D. Alwoods, Kokomo; F. B. Pollard, Greensburg; G. M. Ray, Shelbyville.

A Pleasant Occasion.

Last evening there was a very pleasant interchange of courtesies at the Grand Hotel. While Senator and Mrs. Willard were calling upon Mr. and Mrs. Kelley several admiring friends upon the force of Mr. Kelley visited his room, and Mr. R. A. Taylor, in a neat and heartfelt speech, tendered to Mr. Kelley—the principal Secretary of the Senate—a beautiful ebony case mounted to gold, the head being finely engraved and chased in arabesque.

The handsome present was tendered on behalf of Robert A. Taylor, Miss Florence Williams, Phillip Ryan, Ezra C. Nowels, James R. Fritts and Thomas O. Williams. Secretary Kelley, completely taken by surprise, and feeling unable to respond suitably, with his usual presence of mind handed the case to Senator Willard with the request that he should express his thanks, and Mr. Willard responded in his usual happy manner.

The case is a perfect work of art, bearing the inscription, "Presented to Albert J. Kelley, Secretary of the Senate, Fifty-fourth Session of the General Assembly," and on the two faces of the head are engraved the initials of the admiring donors.

The Western League.

The meeting of the new Western League, which is to comprise Indianapolis, Kansas City, Milwaukee, Minneapolis and many other prominent clubs, will be held at the Grand Hotel on Wednesday next. The "wise" ones who prophesied that Indianapolis would have no club next season are now somewhat surprised, and say nothing. Ted Sullivan, who will represent Kansas City at the meeting, is already in the city.

LEGISLATIVE NOTES.

The State Treasurer's Bond Finally Fixed at \$700,000.

The Per Diem of Stenographic Court Reporters Reduced to \$5.

The Senate Adopts the Majority Report Concerning the Treasurer's Affairs.

Hon. Will Cumbach had a seat on the right of Lieutenant Governor Manson yesterday afternoon.

Mr. Gooding's bill, requiring jury trial in all civil litigation cases, was passed yesterday after a long discussion.

The Governor has signed the bill increasing the State Treasurer's bond to \$700,000. That officer will make a new bond on Monday next.

The Governor made the following appointments yesterday: Patrick Flynn, Inspector General of the Indiana Legion, headquarters at Lafayette; H. N. Kelsey and Andrew J. Parks, Aides de Camp, with rank of Major, Indianapolis.

Mr. Akin has introduced a bill making it a misdemeanor to give away or treat or pay for on a wager or upon any game of chance any spirituous, vinous, malt or other intoxicating liquor. The penalty is fixed at any sum not to exceed \$75.

The bill appropriating \$3,900 for the representation of Indiana at the World's Exposition has been signed by the Governor. Of the total amount \$300 is to be expended on the educational exhibit and a like sum to the woman's department.

Mr. Schley has introduced a bill requiring the bridges over railroad tracks at the intersection of the tracks and highways and streets to be erected at a height of not less than nineteen feet between the under side of the bridge and the railroad track.

Specific charges and counter charges were placed in the hands of the Knightstown Investigating Committee yesterday, and the work of finding the guilty party or parties, if any there be, is being in earnest. The committee is now at Knightstown.

The bill fixing the penalty of the State Treasurer's bond at \$1,000,000 came up again yesterday morning. The Senate, it will be remembered, amended the bill making the penalty \$500,000, but the House refused to concur in its amendment, and a conference committee was appointed to revise the bill. The committee reported yesterday, fixing the penalty at \$700,000, and the report was adopted and the bill passed.

Representative Kellison has introduced a bill to amend the law authorizing counties and townships to take stock in and make donations to railroad companies, and providing that "if two-thirds of the votes cast shall be in favor of such appropriation the Board of County Commissioners shall grant the prayer and shall levy a special tax of at least one-half the amount specified, but not exceeding 1 per centum upon the real and personal property in the county or township."

In the Senate yesterday the majority and minority reports on the question of investigating the affairs of the State Treasury came up as the special order, and the forenoon session was entirely consumed in the discussion thereof. The minority report was adopted and the majority report was adopted, and the struggle ended, not, however, till Senator Johnson, a Democrat, had introduced a resolution calling for an investigation of the treasury affairs, which was declared out of order.

A couple of young ladies were discussing the personal appearance of the members of the House the other day. One of them absolutely maintained that Speaker Jewett was the handsomest of them all. "He looks so quiet and gentlemanly, you know," said one, "and then so kind of meek like. Mr. Copeland is nice-looking, too, but he is a little too small." "Oh, pshaw!" said the other, "I think they're all horrid. There hasn't been a handsome man since Hon. C. H. Gibson, of Kentucky, quit."

The bill reducing the pay of stenographic court reporters came up on the third reading yesterday in the House. The bill reduces the per diem from \$7.50 to \$5. Several members spoke on the bill, some taking the ground that the reporters could become competent for court reporting only after a long experience, and others claiming that this pay did not come from the litigants, but from the County Treasury, and that the reporters really received more than the Judge upon the bench. Another member was opposed to any legislation upon the subject, holding that the litigant should employ the stenographer, and should contract with him as he pleased. The bill passed by a vote of 39 to 24.

Mr. Jameson's bank bill, introduced yesterday, has some provisions worthy of note. Among these is the provision that any bank president, cashier, clerk, etc., who shall draw and issue any draft, check or bill of exchange calling for the payment of money on the account of drawer when the drawer shall not have funds to meet such draft or check or bill of exchange shall be guilty of a felony; and any bank official who shall receive money from the bank when he knows the bank to be insolvent, shall likewise be guilty of a felony. Upon conviction the violator of the provisions of the bill shall be imprisoned not less than two years, nor more than ten; shall be fined in any sum not less than \$1,000, and shall be disfranchised for a period not exceeding twenty years.

The following six described House commercial resolutions have passed the Senate: Requesting Senators and instructing Representatives in Congress to use their influence to secure the repeal of the limitation act of 1879, etc. Also (another commercial resolution) to vote for the repeal of that clause of the pension law which requires an applicant to prove himself of sound health at date of enlistment. Also (another) that all Mexican or disabled union soldiers should be pensioned. Also (another) that suit may be brought against railroads which have forfeited their land grants. Also (another) to equalize bounties and secure pensions to those entitled thereto. Also (another) to have laws for the improvement of the Ohio River amended so as to afford protection to holders of property in Indiana on the Ohio River.

Examination at St. John's Academy. The semi-annual examination of classes, which continued during the last two weeks, was extremely satisfactory and reflected much credit upon both teachers and pupils. The reports were given yesterday by Rev. D. O'Donoghue. They show that great improvement has been made. The second session of the scholastic year commenced last Monday, February 2. Persons wishing to

place their daughters or wards as pupils in the Academy are invited to do so at once, as late entrance would greatly retard their progress.

GRAND CARNIVAL.
